

EBENSBURG AND CRESSON RAILROAD. After Monday, October 16, 1865, on this road will run as follows:

EBENSBURG.— 7:00 A. M., connecting with Erie Mail West and Altoona Accom. East. 9:20 P. M., connecting with Altoona Accom. West and Mail East. 1:40 P. M., connecting with Mail Train West. CRESSON.— 11:10 A. M., on departure of Altoona Accom. East. 5:10 P. M., on departure of Mail Train East. 8:40 P. M., on departure of Mail Train West. ENOCH LEWIS, Gen. Supt. ROBERT PITCAIRN, Supt. Pass. Div.

THE BUTTER PROBLEM.—We last showed that it was owing to the endeavors of certain of our merchants that butter had been run up to 40 cents a pound in our market. This figure is an outrage and a swindle upon the people. May is as cheap as it was when sold with a good profit for 12 1/2 cents. Allowing the "inflation" of the money to have depreciated the value of the commodity, which is allowing all that is asked, then, measuring it by an available standard, butter ought to sell for 25 cents now. Whatever is asked above that is clearly the demand of avaricious merchants we spoke of, and they are to blame for the high prices.—We have bought up all the butter in the market, for speculative purposes, and keep it safely stowed away, operating for a profit. A few weeks ago the farmers were satisfied with 25 and 30 cents a pound; now, in view of the scarcity caused by the buying-up process of the merchants, they demand 40, and expect soon to receive 50 cents.

At Chicago, they have got a monopoly which is not a butter monopoly, but a grain monopoly. A combination has been formed there to control the price of flour. They have bought up all the flour in the market, and stowed it away in warehouses, hundreds of thousands of barrels of it, waiting for the scarcity of commodity in market to create a rise in price. They thus expect to control the price and levy a heavy tribute on the pockets of the public. The result of this combination is seen at a glance—50 per barrel for flour. The butter monopolists here at home are small-sized editions of the Chicago monopolists. They would distress the people of the whole country by raising the price of flour, if they could; but not being competent for that undertaking, they distress the people of a section by raising the price of butter. The two alike in principle, and only unlike in the abilities or advantages of one are better than those of the other.

The monopoly of the Chicago-men affects the entire nation; therefore, we, the people of Ebensburg, are comparatively less against it and its influences.—It can only pray that the speculation of greedy corporators may result in irreparable financial ruin to themselves.—We, the people of Ebensburg, can complain of the abuse complained of in our local market; we can set our foot down on the butter monopoly, and squelch it. We can do it in this wise: By refusing to buy, sell, or trade with those merchants who speculate on our necessities, to their own great profit and reward—by dealing upon others to not patronize them to the extent of one cent—by coupling their names with that of Shylock, the extortioner, who would have his usury though it took the heart's blood of his victim—by, in short, expressing in every manner on every possible occasion our utter detestation of those who, where, would wring the last farthing from the toil and sweat of the public, in a contempt alike of common decency and of those laws which should govern in all business transactions.

AND OCT.—John Campbell, Commissioner, Joseph Dailey, Poor House Director, and Emanuel Brallier, Auditor—newly elected county officers—have "sworn in," and have entered upon the discharge of the duties of their respective offices. This is the second term of Mr. Campbell as Commissioner, in that position he has given very general satisfaction. Mr. Dailey is a new hand at the office, and displaces Squire Rutledge, who was one of the best Poor House officers the county ever had. Mr. Brallier is a returned soldier, and will be as good an Auditor as did Mr. Wilkins his predecessor.

—In view of the fact that Thanksgiving is coming, we would advise our citizens to go one and all to prepare for its celebration going to Thompson's cheap cash store, High st., and buying a new suit of clothes or a new dress.

FROM JOHNSTOWN.—A correspondent writing from Johnstown, says: "On Sunday evening, the 5th inst., at about 7 o'clock, our community was startled by an alarm of fire, which was caused by the breaking out of the devouring element in a little frame building on Canal street occupied by one Kelly as a drinking saloon. A crowd of men and women were soon on the spot, and the work of demolition commenced—axes hewing away the middle flooring, and excited men pitching out furniture of every kind, which was as promptly pitched "in again" by the friends of the owner. In a brief time, much to the relief of property owners on that street, the fire was extinguished, and the citizens of our city have much reason to congratulate themselves on the fact that they escaped, even though by mere chance, a terrible and destructive fire, as the wind was blowing fearfully at the time, and no judgment could decide when the frightful element could have been checked, if once it had got fairly started. Of course, on Monday morning the usual gas was wasted about the immediate organization of an efficient fire company.

"The efficiency of the police force of this town was well illustrated by an incident lately occurring. An individual who had not the fear of the law before his eyes was arrested for the larceny of an article of wardrobe of considerable value, and placed in duress within the hallowed walls of that massive structure known as "The Jug," there to be kept till such time as he could be removed to the county jail. The morning following the arrest, the Constable took the prisoner his breakfast; and, being requested to do so, proceeded to procure a pitcher of fresh water, forgetting, in his haste to be accommodating, to lock the door after him. Imagine his surprise and horror, on returning with the water, to find the cell vacant, the bird flown, and the law cheated of at least one victim!"

ETCHINGS.—We print on to-day's outside a list of the Grand and Traverse Jurors drawn to serve at the coming term of our county Courts....They do some close voting in Franklin county, where Stenger, Dem., is elected District Attorney over Rowe, Union, by three majority....The local editor of the Johnstown Democrat complains of the irregularity of the mail between that place and Hollidaysburg. It strikes us as odd that an irregular mail should thus find fault with an irregular mail...."The only things that we know of that have fallen lately are the leaves," observes the Hollidaysburg Standard. We don't know how it is down off The Mountain; but here, considerable snow has fallen lately, a friend of ours has fallen heir to an heir, and the project of building an air-line railroad to Beulah has fallen through. But the greatest fall of all was the fall of the under-jaw of Democracy when the elections returns commenced coming in....Thomas Fletcher Haynes and John R. Wissingner, two returned soldiers, died in Johnstown last week....The machinery of the new woolen mill at Woodvale, near Johnstown, was to have been put in motion for the first time on Monday last.

A FAMILY OF FELONS.—The extraordinary spectacle was presented at the late session of the Blair county Court of an entire family on trial for a criminal charge. The parties indicted were John J. Burkholder, Lydia Burkholder, Julia Burkholder, Lavinia Burkholder, Perry G. Burkholder, Henry Burkholder, Thos. Burkholder, John Bishop Cousins Ware, Margaret Ware, Norval Hawk, and Mary Hawk—father, mother, three sons and four daughters, the wives of Ware and Hawk being daughters of the paternal Burkholder. The parties were charged with stealing large quantities of goods from the Penna. Railroad depot at Altoona, to the estimated value of \$3,000. The jury found the entire batch guilty of larceny, some in the first and some in the second degree, with the exception of Perry G. Burkholder, who was found not guilty, and John Bishop Cousins Ware, who saved his hide by turning State's evidence.

AT THE LAST.—We find the following announcement in the Pella, Iowa, Blade of the 26th ultimo: MARRIED: At Keytesville, Mo., by Rev. J. M. Wentz, on the 10th of October, Mr. JOHN T. BATEMAN and Miss LOUISA MERILLA CAMMON. Both these parties formerly resided in Ebensburg, and were well known to the writer of this. We congratulate them in their new-formed relation one to the other, and wish them all manner of happiness.

FIRE.—A destructive fire occurred in Indiana boro. on the 27th ult. The flames broke out in the stable of Mr. A. Detwiler, of the Black Horse Hotel, and spread to several adjoining stables, all of which were consumed. A large amount of hay, oats, &c., was destroyed.

OBITUARY.—COMMUNICATED.—Died, on Thursday, Oct. 26th, Francis Lincoln, infant son of Rev. A. and S. A. Baker, aged 9 months and 21 days.

Farewell, dearest one! thou art gone to the grave. Thy parents loved thee—oh! how fondly did they love thee. That tongue that prattled so sweetly, and that smiling face that beamed on them so lovingly—how they bound thee to their hearts! But our Savior has taken thee to Himself. Thanks be unto God, which gives even babes the victory through our Lord Jesus Christ. It soothes the hearts of the parents when called to bow by the lifeless form of their little Frankie to know that the Savior now carries him gently in His bosom, far away from the pains and sorrows of earth. Whilst they keenly feel that one is missing, and that their house is desolate, yet the belief that their dear one is forever happy gives them joy even in the midst of their bitter anguish.

"Bring another earth-bud for this coronal!" Was the seraph's mandate given. To the reaper, Death—the messenger came. And our Frankie transplanted to heaven. In a "glory wreath" round the Savior's brow, Undimmed by the shadows of even, Unfolding, expanding, eternally now Is our earth-flower, our Frankie, in heav'n. For the Savior loved the sweet lambs of the flock— For such was life-blood given— And while on earth, He blessed them and spake: "Of such is the kingdom of heaven!" Mr. and Mrs. Baker desire to embrace this opportunity to express their sincere thanks to their friends for their kind attention during the illness and funeral of their child.

BARRETT'S LIFE OF LINCOLN.—Mr. Wm. B. Brown has now ready for delivery to subscribers the "Life of Abraham Lincoln," by Joseph H. Barrett, Commissioner of Pensions at Washington, D. C. The work contains the early history, political career, and speeches in and out of Congress of Mr. Lincoln; also a general view of his policy as President of the United States, together with his messages, proclamations, letters, etc., and a history of his eventful Administration and of the scenes attendant upon his tragic and lamented demise. We have given it a cursory perusal, and it appears to be a most valuable work. It is well printed and bound, and contains numerous finely executed engravings. Mr. Brown will furnish the book to subscribers forthwith; those living in the country who may happen to be in town will call on him at Moore's Mountain House and get their copies. Any person who has not yet subscribed but desires to have the work, will make his wishes known immediately, that there may be no delay in procuring the same.

Mr. Brown has accepted an agency for "SHERMAN AND HIS CAMPAIGNS." He will wait upon the citizens of Ebensburg and Cambria Tp. to subscribe.

A COLD WINTER COMING.—Those who pretend to "weather-wisdom" predict that we will have an early winter, a long one, and a strong one. One of their signs is that birds early took their flight southward; and another that the husk of the growing corn was very thick and covered the ears to the very ends—a never failing proof that overcoats and fuel will be in demand.

JOHNSON'S RHEUMATIC COMPOUND AND BLOOD PURIFIER. THE SOLDIER'S FRIEND! GREAT INTERNAL REMEDY! Hear the Testimony of a Soldier. PROPOS MARSHAL'S OFFICE, Pittsburg, December 17, 1864. Mr. ANDREW JOHNSON:—Dear Sir:—In November last I had a severe attack of Rheumatism, to which I have not been subject for nearly three years. The attack was so severe that I could not move my head nor raise my arm. After trying different medicines in vain, I was induced to use your RHEUMATIC COMPOUND AND BLOOD PURIFIER, and before I had taken three bottles I was completely cured that I could perform any duty to which my country might call me. I can gladly and confidently recommend it to my fellow-soldiers as the quickest and surest remedy I ever used. Your true friend, NORRIS PATTERSON. Reference—J. T. Patterson and William Duncan, 71 Wood Street.

Let the Suffering Read, and Cease to Despair. Mr. JOHNSON:—Dear Sir: This is to certify that by using three-fourths of a bottle of your RHEUMATIC COMPOUND AND BLOOD PURIFIER, I was completely cured of Chronic Rheumatism, after having suffered for more than eighteen years. It has been over four years since I was cured, and I have not felt the slightest symptoms of its return. I remain yours truly, ANDREW ARMSTRONG. No. 19 James street. ALLEGHENY CITY, May 3, 1864.

Mr. A. JOHNSON:—Dear Sir—My wife was taken bad with Inflammatory Rheumatism in March last. She was very much swollen and the pain she suffered was severe; she was confined to her bed. I was advised to try your Rheumatic Fluid and Blood Purifier, so I got a bottle of it, and before the half of it was used she was entirely well. The cure is a perfect one; I never saw such medicine.—She had only taken three doses of it when the swelling and pain began to abate. All your medicine wants is to be known in order to give it success. Yours affectionately, JAMES M'ALLISTER. My residence is No. 128 Cherry Alley, where my wife can be seen by any person doubting the truth of the above. PITTSBURGH, April 10th, 1864.

By the Original, Only True and Genuine LIVER PILLS.

SILVER CREEK, Ohio Co., Va., Mar. 20, '49. Mr. R. E. Sellers:—Dear Sir:—I think it a duty I owe to you and the public generally, to state that I have been afflicted with Liver complaint for a long time, and so badly, that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. R. Sharp, West Liberty, and recommended to me by my physician, Dr. F. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended—the best Liver Pills ever used; and after taking four boxes, I find the disease has entirely left me, and I am now perfectly well. Respectfully yours, D. H. COLEMAN.

I certify that I am personally acquainted with Mr. Coleman, and I can bear testimony to the truth of the above certificate. A. R. SHARP.

SELLERS' IMPERIAL COUGH SYRUP. Pronounced to be the Pleasantest and most Efficacious remedy now in use.

For the Cure of Coughs, Colds, Hoarseness, Inflammation, Tickling Sensation of the Throat, Whooping Cough, &c., &c., &c.

Seller's Imperial Cough Syrup has given relief to hundreds who have used it, and the proprietor is persuaded that it has the power to impart benefit that cannot be claimed for the Cough Mixtures in general use. Most of the mixtures sold for coughs are composed of spirituous and inflammatory articles, which, while they give little relief, really do harm. The Imperial Cough Syrup contains no spirituous ingredient whatever, and may be used in all cases not requiring an active medical treatment.

Seller's Cough Syrup Without a Rival. PITTSBURGH, Fifth Ward, Feb. 26, 1856. Mr. R. E. Sellers:—On the 18th ult., I caught a very severe cold. The night following I went to bed earlier than usual, yet notwithstanding I had slept none the night before my cough was so severe that I could not sleep, neither could those in the room with me. The person sleeping with me was so much annoyed by my coughing that he got up and went to a drug store, and bought a bottle of your Cough Syrup, one dose of which to my great astonishment, stopped my cough as if by magic. I went to work in the morning, and am now quite well. Yours, &c., JOHN DEAN.

I hereby certify that I am well acquainted with the above circumstance, and the statement given is true. A. JOHNSON.
